**City of Hudson  
Arts, Entertainment and Tourism Committee Meeting  
May 4th, 2016  
Minutes**

**2016 MAY 19 PM 3:42**

**CITY CLERK'S OFFICE  
HUDSON, NEW YORK**

**Meeting Called to Order**

John Friedman, Alexis Keith, Michael O'Hara and Rick Rector were present. Also present was Common Council President, Claudia DeStefano.

**New mass gathering permits were reviewed and discussed.**

**2016 City of Hudson Event Award Application Review**

16 applications were discussed totaling \$40,700.00. (attached).

It was immediately suggested that the committee not consider any "for profit" application to begin the process of dividing up the monies. A lengthy discussion was held and this was generally agreed to by the committee.

There was another lengthy conversation regarding the lack of follow thru by applicants in submitted required information from the contractual agreement made with the city as to financial accountability prior to the year's end and a narrative discussing the event. It was decided that the committee would no longer accept an application if the information required was NOT submitted to the city within the agreed to time.

The committee then discussed every application in detail.

A tentative plan on distribution of dollars was discussed and the committee agreed to meet again in a special session, scheduled for May 11th to finalize the awards.

The meeting was adjourned.
