

October 16, 2018

The Honorable Rick Rector, Mayor
The City of Hudson Common Council

Dear Mayor and Members of the Common Council:

After lengthy discussion, the Hudson Planning Board agrees to support proposed Local Law 5, provided that it be conditioned by use of Smart Code principles, and in particular that the relevant planning principles of the Sprawl Repair Manual by Galina Tachieva, be incorporated into the LL5 site plan requirements. We believe that ultimately, these Smart Code principles should be incorporated into all city zoning.

The planning Board has received a copy of the Sprawl Repair Manual and will make it available to the Members of the Common Council. We will also supply you with additional information on the Smart Code.

Yours Truly,

Walter Chatham, Chair
Hudson Planning Board
