

Announcement from the Treasurer's Office
New Service for Taxpayers

January, 2011

The City Treasurer's Office is happy to announce that we are making it easier for taxpayers to view and pay taxes at any time over the internet.

Taxpayers may now register online for access to their property tax information. Go to the City of Hudson website www.cityofhudson.org select pay and view taxes to view, print or check the payment status of your particular bill.

Additionally, at the same website and for a convenience fee, you can now **pay taxes online** using American Express, Visa, Mastercard or Discover Cards.

We will still be here to take your payments in person at the Treasurer's Office. you can also continue to make payments by cash or check via the U.S. Mail and the Bank of Greene County and we will continue to process escrowed payments from your mortgage company.

Eileen Halloran
City Treasurer
